SUBJECT: LABOR MARKET INFORMATION PLANNING PACKETS FOR 2008

### 2008 Planning Information Packets Now Available

The Employment Development Department's (EDD) Labor Market Information Division (LMID) annually produces and distributes Planning Information Packets as an aid for planning and delivering services under the Workforce Investment Act. Typical recipients are Local Workforce Investment Boards, the EDD's Workforce Services Division, EDD Division Chiefs and Field Office Managers, LMID Area Consultants, and CalWORKs Program Specialists. The packets contain relevant social-economic data, including data relating to public assistance, poverty guidelines, and demographic profiles. This year's Planning Information Packets contain data on Public Assistance Recipients (Tables 1 and 2); Planning Information for Local Workforce Investment Areas (Table 3); and Lower Living Standard Income Levels (Table 4).

The packets are accessible on-line at the following Web address:
